

ARRAY(EASY)

Replace "?" with a integer so that output is 4.

```
int main()
{
int arr[7];
int b,c,d,a;
a=4;
printf("%d",arr[?]);
return 0;
}
```

Input

No Input

Output

Write only one integer as the answer. And submit as TEXT.

Note:Dont submit whole program and assume no optimization by compiler.
